

"New Web Seminar Program for PMI MSSIG Members and Marketing & Sales Community"

PMI MSSIG is excited to offer a new, free for members-only benefit - a year-long program of web seminars (through a partnership with Real-Life Projects, Inc.).

Non-PMI MSSIG members who are part of our Marketing & Sales Community may also participate in the web seminars with a 10% off regular webinar rates (use promo code: marketingsalespm).

For these wonderful webinars:

-

[PMI MSSIG Members Click Here \(Free\)](#)

-

[Non-PMI MSSIG Community Click Here \(10% discount with promo code: marketingsalespm \)](#)

These web seminars will cover a variety of topics (at least 10 over the course of the year), and will be oriented towards experienced project managers. It is hard to find good continuing-education material for experienced project managers, and these will cover topics like communicating with senior executives, strategy, and practical issues like scheduling and budgeting.

These events will be offered about once per month for one hour. The topics of the series will change month-to-month, and each topic may be offered at different times of day, to accommodate people in different time zones. You will also have access to recordings of the events. Attending each event will be worth one PDU for members holding a PMI certificate like the PMP.

We will announce each upcoming event here.

The August webinars are:

- Difficult Project Sponsors (Live Sessions Aug 4th and 8th)

- Team Morale and Team Work (Live Sessions Aug 26th, 28th, and 29th)

Past Recorded webinars for your viewing and PDU's are:

- "Beyond Strategy: Why Project Managers need to see beyond strategy to understand their place in the organization"
(Recorded Session)

- "I LOVE/HATE Sales: Confessions of a Project Manager" (Recorded Session)

- "Results Matter: Delivering What You Need To Deliver" (Recorded Session)
